FTCA is one year intensive course consisting of 18 full days of study with Neerja Ahuja/ Dr Cooppan PLUS group/ self study, self/ group practice, guest patient's practice sessions, and monthly telephone QA session leading you to qualify as Ayurveda life style consultant (ASLC) with further supportive studies.

Why do you wish to study FTCA 2009 with AAC?

Group dynamics plays a vital role in learning and assimilating Ayurveda in student's life. Group acts a valuable resource to practice Ayurveda healing on your family and friends. Group dynamics accelerates your learning, self-healing and your skills as an Ayurvedic Healer. What are you willing to provide to your FTCA 2009 peers?

Ayurveda is an experiential science. Your teacher or mentor from AAC will instruct you from time to time to undergo detoxification procedures. Some of these procedures may be beyond your comprehension. What will you do in those circumstances?

Ayurveda Awareness Centre (AAC) is organising FCTA 2009. AAC sets up structures of your meetings and other events to accelerate your learning process. Would you like to support AAC in organising various activities associated with FTCA 2009? If, please indicate are of your strength that you will be willing to contribute to your group.

Advertisement Permission – If selected, I give permission to Ayurveda Awareness to use my training photographs and training feedback in the course for the promotion of the training and other services offered by AAC.
